# PUTOVALO SE SLIKOPRIČOM...

# ET

Jučer sam avionom otišao na jednodnevni izlet u Šonjepersko-Smilovačku državu u glavni grad Pingovec.

Kad smo izašli iz aviona sjeli smo u jedan autobus, koji nas je odveo do centra grada. Kada smo stigli tamo nas je dočekao naš vodič.

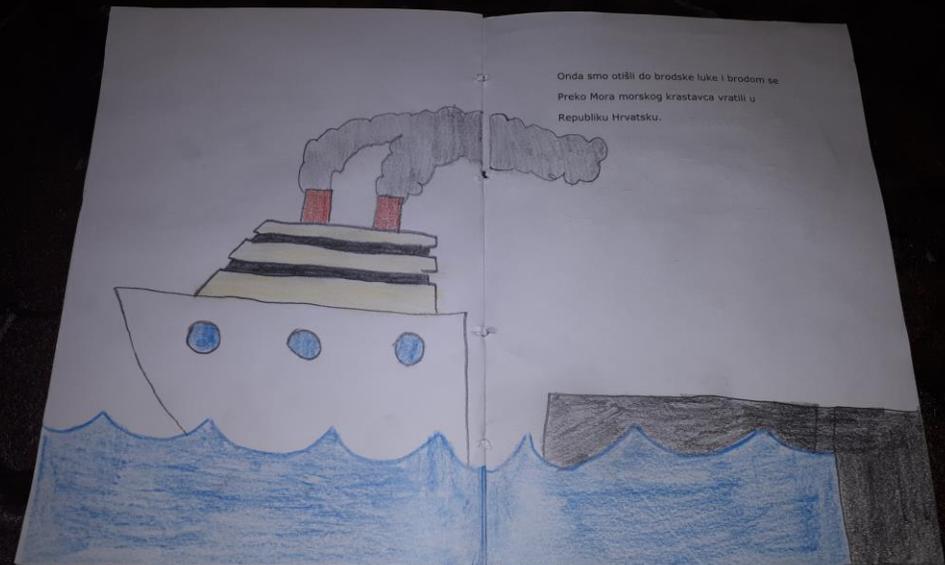

U gradu smo vidjeli spomenik kralju Miši. Ušli smo u Apledikov i Pseću palaču. Pingovec je jako bogat grad spomenicima.

Malo smo se prošetalii pokraj mora. Vodič nam je rekao da je tamo uvijek sunčano.

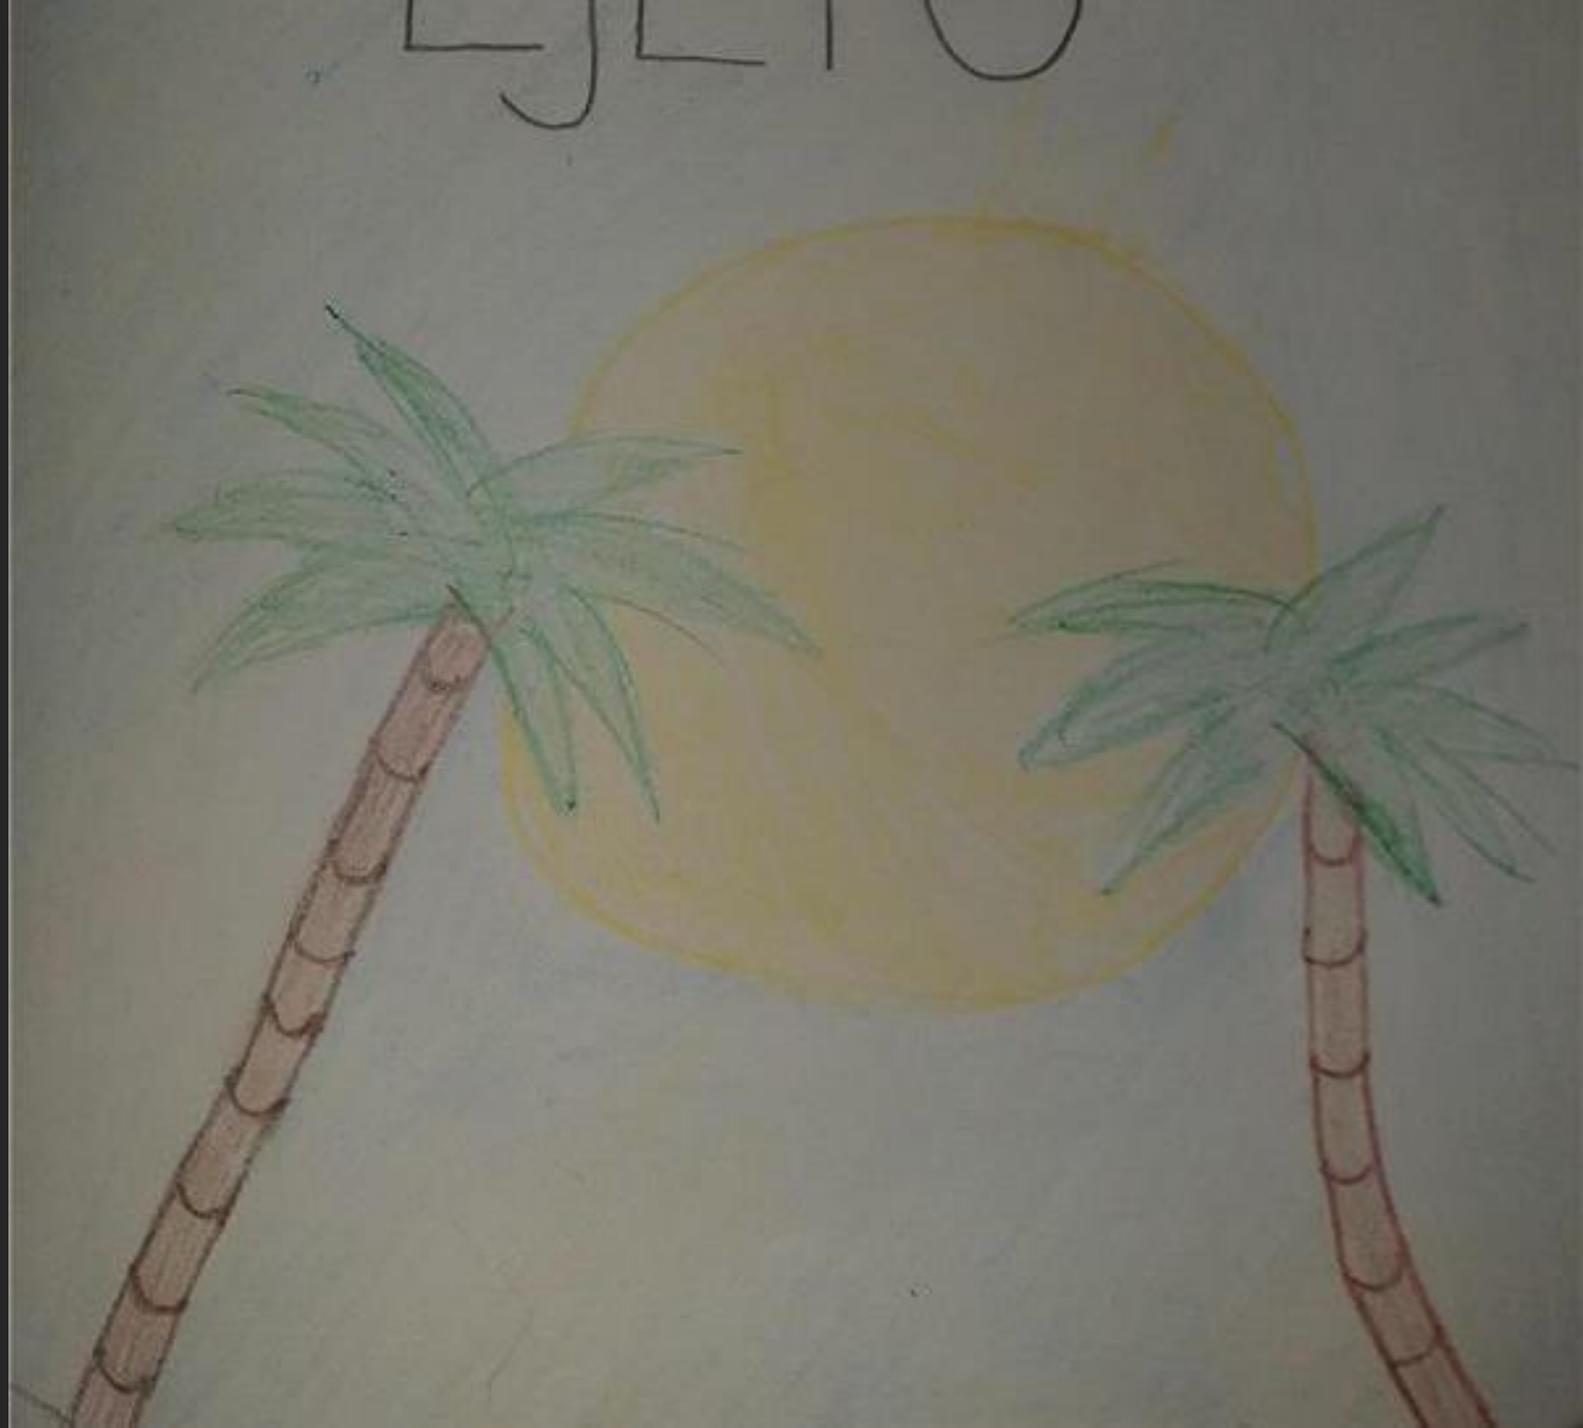

Onda smo otišli do brodske luke i brodom se preko Mora morskog krstavca vratili u Republiku Hrvatsku.

A close-up photograph of several pink flowers, likely geraniums, with prominent stamens and delicate petals. The flowers are in various stages of bloom, creating a soft, textured background. The lighting is even, highlighting the natural colors and details of the blooms.
